

Class 1 HGV Drivers

Due to continued expansion within the central belt and the opening of a new site at Cumbernauld we are looking to recruit experienced drivers. The situations will be as follows:

Lesmahagow Site – Day/Night Shift of a 5 on 3 off shift pattern, or employment on a casual basis . This site services 2 of our main customers and works on a 24/7 basis.

Cumbernauld Site – The situations here are based on our tramping fleet, there are also opportunities for weekend work, and as we are in our infancy at this site it is anticipated that various shift patterns will be available.

This site is also a 7 day week operation working on a shift pattern between 0400 – 2400 Monday to Friday and 0600 to 1800 Saturday and Sunday.

Application forms are available on our website and may be emailed to:
