VACANCIES

FORK LIFT TRUCK OPERATORS – CUMBERNAULD

As part of a continued expansion plan we are now in a position to offer employment in a new warehouse which will be operational from late November. It is an exciting development for Hayton Coulthard, supported by our partner company Gregory Distribution and will support increased storage requirements for one of our main customers.

WOULD YOU LIKE TO JOIN US?

We are a dynamic family business who have just celebrated our 100 years' anniversary and who are now seeing another generation of the family taking part in the day to day operation of the company.

You will be a valued member of staff, part of a small team led by the depot manager and supported by the stock controller.

The operational hours of the depot will be:

Sunday to Friday	0600 to 2200
Saturday	0700 to 1500

What qualifications do we require?

Good level of experience operating FLT equipment in a busy environment.

Current Counterbalance FLT licence and Reach Truck Licence.

Basic ability in English and maths.

A conscientious attitude to work.

What would we offer?

Permanent employment

Good work to life balance

Strong culture of team work

Competitive salary

Staff uniform

Ongoing training

A company which has strong family values and at its heart is that both the customers and the employees are important people.

Applicants should forward their CV via e-mail to:

recruitment@haytoncoulthard.com

We will be holding interviews at our depot in Lesmahagow and will correspond with all applicants to advise date and time. We do respect that some of you will already be in employment and we will offer 'out of normal hours' appointments should that be required.
