VACANCIES

WAREHOUSE OPERATORS – CUMBERNAULD

We require additional operators to work within our busy warehouse site in Cumbernauld.

You will need Counter Balance and Reach Truck certificates, be willing to work a 4on/4off shift pattern on either days or nights and be part of a team which makes things happen.

Our customer is a leading supplier to the food chain and as such sets high demands on the service we give and our aim is to succeed.

ADMIN ASSISTANT - CUMBERNAULD

We require an additional person to join our busy admin team. You will need good IT Skills; a knowledge of stock control would be advantageous but training will be given on our in house systems. The job requires a team player, who will work in a busy environment and be hands on and versatile. It is envisaged that this will be a Monday to Friday position, but there will be a requirement to provide weekend cover during holidays/sickness.

If you would like to know more about either of these positions, please contact us by either telephone or in writing using the address and telephone number below.
